FAMINE REPORT FOR THE MONTH OF JUNE 1924 - FAMINE RELIEF CAMP - KOLUR.

XXXXX

No new camps were opened during the month, but the

existing famine camp was shifted to the spot south of Kolur as the work at Bailur camp was over. No epidemic in the camp. Having regard to the prevalence of cholera in some villages not very far away from the famine camp, inoculation against cholera was tried in the camp. The Medical Officer attached to the camp was able to inoculate only 21 persons as coolies were quite against inoculation. Compulsion cannot be used. No cases of cholera occurred in the camp.

The Medical Officer as usual hankanized the drinking water wells, inspected the gangs both morning and evening. The required medicines for the treatment of sick have been promptly supplied. The general health of the coolies continued to be satisfactory. No ~~vaciation~~. No scurvy, No accidents. His Excellency the Governor of Madras visited the camp on 30th June 1924.

The strength of the camp on the last day of the month was as follows:-
